

Economic Development Board
Business Diversity Program Manager Update
December, 2022

Outreach/Grants

Working with our partners throughout the county to increase visibility of EDB resources. Have helped business owners acquire small business grants.

Procurement

Working on contractor list for public/ private organizations interested in doing business with BIPOC businesses.

Micro-Loans

Entrepreneurs continue to search for access to capital. Have been referring business owners to partners, Sonoma SBDC and CRECER Capital to get funding to start and grow businesses. Have been able to get business owners funded recently.
